A Legacy of Quality and Commitment  
in the Chemical Industry

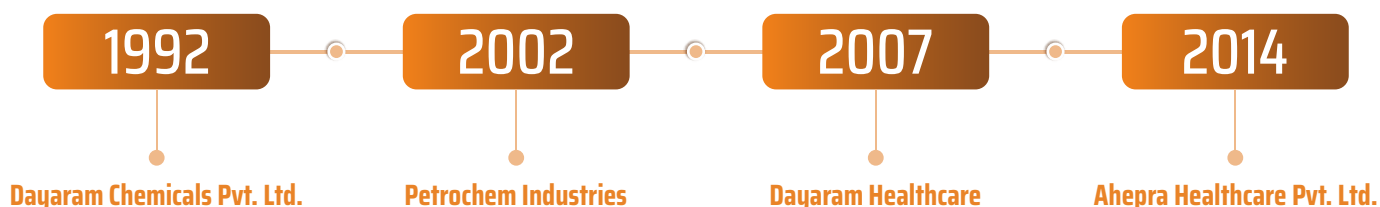

For over three decades, Dayaram has been a trusted name in the chemical industry. Our journey began in 1992 with **Dayaram Chemicals Pvt. Ltd.**, a trading unit for solvents. Driven by a commitment to excellence and innovation, we steadily expanded, establishing **Petrochem Industries** in 2002 for licensed products and a manufacturing facility for high-purity solvents and specialty chemicals in 2007 under **Dayaram Healthcare**.

EXCELLENCE

## Infrastructure

**112KSQFT** Warehouse Area | **154KSQFT** Manufacturing Area | **800KL** Working Volume

Driven by R&D, we established **Ahepra Healthcare Pvt. Ltd.** in 2014 for APIs and intermediates, and recently launched specialty polymers through Dayaram Healthcare. This diversification solidifies our position as a complete chemical solutions provider. Unwavering dedication to quality, value, and innovation has earned us industry trust. Today, **Dayaram** stands as a symbol of chemical excellence, committed to continual growth and exceeding expectations.

## Importer and Supplier of Solvents & Speciality Chemicals

Established in 1992 as a premier trading unit specializing in solvents and specialty chemicals, **Dayaram Chemicals Pvt. Ltd.** stands as a trusted and renowned brand serving clients across India. With a legacy rooted in unparalleled service quality and excellence, our commitment to the industry remains unwavering.

The company has emerged as a strong, independent and customer-oriented marketing and sales organization with experience in distribution of solvents. A strengthened integration between R&D and cGMP; manufacturing and standard testing methods enable continuous commitment to provide quality service at all costs. The operations are vertically integrated giving a more transparent chain for inspection and detect errors, if any.
